

JUKE KARTEL (Featuring Toby Rand) CONFIRMS NATIONAL TOUR FOR MARCH / APRIL ALBUM RELEASE

– NOWHERE LEFT TO HIDE

Fresh from doing the Australian support slot for Seether and headlining for the recent NY's eve Odyssey Festival and Solar Festivals, **Juke Kartel** have just confirmed their upcoming national tour dates in support of their debut album release, **NOWHERE LEFT TO HIDE.**

After winning the 2008 Sms Vote- PEOPLE'S CHOICE AWARD at the recent Independent MusicOZ Awards in December 2008, JK are getting back out on the road throughout March, April & May, doing a number of instore performances and live shows. The band will be returning from Los Angeles on March 7th to promote their brand new single **IF ONLY** and the Australian release of their long awaited album, **NOWHERE LEFT TO HIDE.**

IF ONLY is the third single to be released off the album, following good success at radio with **SAVE ME** and **DECEMBER**, which still currently continues to wet the appetite of Juke Kartel's growing fan base with national airplay coming from the Nova network, and also recently breaking into **TAKE 40 Australia.**

In recent weeks, Juke Kartel has found their latest single 'December', showing great support by the Australian public at retail, coming in #1 on the JB HI FI singles chart (Jan 09) and #2 on the National AIR singles (Jan 09).

Juke Kartel has also recently been invited to officially open up the **AUSTRALIAN GRANDPRIX in Melbourne, March 27th.**

Juke Kartel are "no fresh-from-the-garage amateurs". They are five Melbourne musicians who have been paying there dues for over 10 years. As young teenagers, front man Toby Rand, guitarists Todd Burman and Dale Winters and bassist Tommy Kende first came together to forge what became **Juke Kartel**. New drummer Jason Pinfold is the new addition to the band.

NOWHERE LEFT TO HIDE available **March 13th**, both Instore and online through Emporium Music (distributed through MGM).
